Docket No. MPS 64-0602

NOTICE OF ENTRY ORDER

PLEASE TAKE NOTICE that the Vermont Board of Medical on November 3, 2004 **approved and ordered** that the peer consultation requirement for Respondent Ned I. Shulman, M.D., as set forth at Paragraph 57 of the Stipulation and Consent Order of May 7, 2003 in the above-referenced matter, may be reduced to no less than quarterly but shall occur as frequently as one or more of the parties to such consultation deem necessary. The Board has reserved its discretion to require at a later date that Respondent engage in peer consultation at the original level of twice monthly, should the Board deem this to be appropriate.

Date: November 3, 2004
